

Completing the Next Hundred

 + = H 60 + _____ = 100	 + = H H 260 + _____ = 300
We need 10 ten-pillars to make a hundred. Draw the missing ones.	

1. Complete the next whole hundred. Compare the problems in each box.

a.	b.	c.
80 + _____ = 100	30 + _____ = 100	40 + _____ = _____
280 + _____ = 300	330 + _____ = _____	940 + _____ = 1000
680 + _____ = _____	530 + _____ = _____	740 + _____ = _____

2. Complete the next hundred. Think of a helping problem where you complete just 100.

a.	b.	c.
540 + _____ = 600 (40 + 60 = 100)	250 + _____ = 300 (50 + _____ = 100)	630 + _____ = 700 (_____ + _____ = 100)
d.	e.	f.
120 + _____ = _____ (_____ + _____ = 100)	440 + _____ = _____ (_____ + _____ = 100)	780 + _____ = _____ (_____ + _____ = 100)

3. Complete the next whole hundred.

a.	b.	c.
590 + <u>10</u> = 600	720 + _____ = _____	940 + _____ = 1000
550 + _____ = 600	370 + _____ = _____	880 + _____ = _____
