# Contents

Introduction .....	6
--------------------	---

## Operations with Numbers and Place Value

Mental Math .....	8
Four operations Review.....	9
Review .....	10
Word Problems .....	11
Exponents .....	12
Square Roots .....	13
Order of Operations .....	14
Place Value / Scientific Notation .....	15
Dealing with Big Numbers .....	16
Rounding .....	17
Properties of the Four Operations .....	18
Distributive Property .....	19
Dividing a Sum or a Difference .....	20
Mental Math Workout .....	21

## Decimals and Percent

Decimal Place Value .....	22
Equivalent Decimals and Fractions .....	23
Comparing Decimals .....	24
Add and Subtract Decimals .....	25
Rounding Decimals .....	26
Multiply Decimals .....	27
Divide Decimals by Whole Numbers .....	28
Multiply and Divide by Powers of Ten .....	29
Repeating Decimals .....	30
Divide Decimals by Decimals .....	31
Divide Decimals .....	32
Word Problems .....	33
Decimals and Fractions .....	34
Word Problems .....	35
Word Problems .....	36
Decimal Roundup .....	37
Introduction to Percent .....	38
Finding Percent of Number .....	39

## Measuring

Estimating Weight and Length in Customary System .....	40
Customary Units of Measuring .....	41
Word Problems with Measurement Units .....	42
Estimating Capacity and Length in Customary System ....	43
Estimating Weight and Length in Metric System .....	44
Metric System Prefixes .....	45
Converting Metric Units .....	46
Estimating Capacity and Length in Metric System .....	47
Measuring in Metric System .....	48
Word Problems With Metric System .....	49
Problems With Measurement Units .....	50
Convert Between Customary and Metric Systems .....	51
Estimate Area .....	52
Area Units .....	53

## Number Theory

Divisibility .....	54
Factors Vs. Multiples .....	55
LCM and GCF .....	56
Primes .....	57
Factoring .....	58
Divisibility Problems .....	59
Factoring 2 .....	60

## Fractions

Fractions .....	61
Equivalent Fractions / LCM .....	62
Adding Unlike Fractions .....	63
Add and Subtract Fractions .....	64
Subtract Mixed Numbers .....	65
Simplifying .....	66
Simplifying and GCF .....	67
Subtracting Like Mixed Numbers .....	68
Add/Subtract Three Mixed Numbers .....	69
Multiply Fractions .....	70
Multiply Fractions by Fractions .....	71
Multiplication and Area .....	72
Multiplication With Mixed Numbers .....	73
Simplify Before Multiplying .....	74
Divide Fractions .....	75
Divide Fractions by Fractions .....	76
Divide Fractions .....	77

Problems with Parts .....	78
Problems with Parts .....	79
Fraction Word Problems .....	80
Fractions/Percents .....	81
Circle Graphs and Percents .....	82
Challenging Percent Problems .....	83
Fractions Review 1 .....	84
Fractions Review 2 .....	85
