

Addition et soustraction centaines entières

Dix unités font un pillier de dizaine:

dix unités = 10

Dix pilliers de dizaine font UNE CENTAINE:

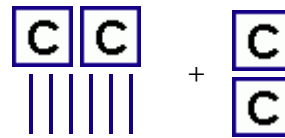

dix dizaines = 100

1. Un point égale un unité, un bâton une dizaine, et un carré une centaine. Écrivez une phrase d'addition.

	C	D	U
	2	0	0
+	1	0	0

a. $200 + 100 = 300$

	C	D	U
+			

b. $260 + \underline{\quad} = \underline{\quad}$

	C	D	U
+			

c. $\underline{\quad} + \underline{\quad} = \underline{\quad}$

	C	D	U
+			

d. $307 + \underline{\quad} = \underline{\quad}$

	C	D	U
+			

e. $\underline{\quad} + \underline{\quad} = \underline{\quad}$

	C	D	U
+			

f. $\underline{\quad} + \underline{\quad} = \underline{\quad}$

Seulement les chiffres de $\underline{\quad}$ changent dans la réponse.
