

Fractions

31. Divide these shapes. Colour the part you are asked to colour.

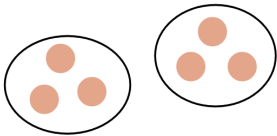

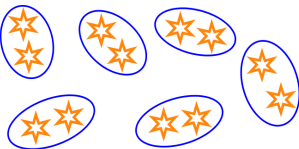

<p>a. </p> <p>Divide this into thirds. Colour $\frac{2}{3}$.</p>	<p>b. </p> <p>Divide this into halves. Colour $\frac{1}{2}$.</p>	<p>c. </p> <p>Divide this into halves. Colour $\frac{2}{2}$.</p>	<p>d. </p> <p>Divide this into fourths. Colour $\frac{3}{4}$.</p>
--------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------

32. Colour in the given fraction. Compare and write $<$, $>$ or $=$ between the fractions.

<p>a.  </p> <p>$\frac{1}{2}$ $\frac{2}{5}$</p>	<p>b.  </p> <p>$\frac{4}{6}$ $\frac{3}{4}$</p>	<p>c.  </p> <p>$\frac{2}{3}$ $\frac{2}{4}$</p>

The Concept of Multiplication

33. Write a multiplication sentence for each picture.

<p>a. </p> <p>a. _____ \times _____ = _____</p>	<p>b. </p> <p>b. _____ \times _____ = _____</p>
-------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------

34. Write a multiplication for each addition, and solve.

<p>a. $5 + 5 + 5$</p> <p>_____ \times _____ = _____</p>	<p>b. $4 + 4 + 4 + 4 + 4$</p> <p>_____ \times _____ = _____</p>
---------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------

35. Solve.

a. $2 \times 5 =$ _____	b. $3 \times 3 =$ _____	c. $3 \times 10 =$ _____
-------------------------	-------------------------	--------------------------
